contract
and projects.

La Divisione Contract, supportata dall'Ufficio di Progettazione, dal Reparto Tecnico e dalla Ricerca & Sviluppo, collabora attivamente con progettisti, investitori e general contractor in ambito hotellerie, cantieristica navale e grandi progetti residenziali.

The contract department, with the help of the internal Design and Technical Offices, cooperates actively with designers and contractors in the development of residential and hotel projects. High level technical and material expertise allows for thorough comprehension of the different needs and necessities of the client, from feasibility studies to the development and engineering of custom made proposals.

Con Projects si definiscono le soluzioni dedicate alle ville e ai progetti residenziali privati.

L'Agape Design service, selezionando prodotti e accessori dall'ampio catalogo a disposizione, propone progetti esclusivi per le diverse stanze da bagno. 40 anni di esperienza, dalla realizzazione degli esecutivi tecnici al servizio di installazione, a supporto dell'architetto e del cliente finale.

The term Projects refers to private villas and residential projects. The Agape Design service selects products and accessories from a comprehensive catalogue to provide exclusive designs for different bathrooms. Forty years of experience, from planning, through technical specifications to installation, supporting both architect and end customer.
